THE SOLDIERS AND SAILORS OF CONCORD

REPORT

OF THE COMMITTEE APPOINTED BY THE TOWN
TO PROCURE A LIST OF NAMES OF
THOSE WHO SERVED
IN THE
CIVIL AND SPANISH-AMERICAN WARS

CONCORD, MASSACHUSETTS
1908

At the annual town meeting held April 1, 1907, the following vote was passed: "That a committee of seven be appointed by the moderator, with full power to act for the town in the compiling and recording of the names of the soldiers and sailors of Concord who served in the Civil and Spanish-American Wars." The following committee was appointed:

George F. Wheeler	Cyrus H. Cook
George F. Hall	Philip A. Davis
Edward J. Bartlett	Thomas Todd, Jr.

Charles W. Prescott

The committee chose George F. Wheeler, chairman, and Charles W. Prescott, secretary. The committee decided to confine the work to recording the names of the men who served in the Army and Navy of the United States in the War of the Rebellion who found in Concord a birthplace, or previous to 1868 a home or grave; also the men from Concord who served in the Spanish-American War, and those who lost their lives in the service and are buried in this town.

PREFACE

THE task of making a complete and accurate list of the Soldiers and Sailors of Concord who served in the Civil War is an impossible one. The value of such a report must be obvious to all who take an interest in the history of the town. As no official records of enlistments were kept in Concord during the war of the Rebellion, your committee has been obliged to obtain its information from the reports of the Adjutant General of Massachusetts, from memories of veterans of the Civil War and recollections of older people of the town. The committee has lost by death one of its members, Lieut. George F. Hall, whose memory of the men and events of the early Civil War period in Concord was of inestimable value.

We offer this list as a memorial to the brave men who have the honor of claiming Concord as their birthplace, home, or grave.
